

I would like to have K-LOVE remain on the air because it benefits my local community by providing commercial free Christian music and programs consistent with my family values and lifestyle. The local community would suffer greatly if K-LOVE were displaced by an LPFM broadcaster because it is likely that a broadcaster would not play Christian music and programming that is safe and wholesome for both children and adults. K-LOVE is in the public interest because it reaches people all over the world with the Good News of God's love, thereby providing encouragement and hope to people who would otherwise have no place to turn in a dark and lost world. Millions of people listen to K-LOVE as evidenced by the on-going financial support it receives. Please keep K-LOVE on the air, it is a wonderful station. God bless you.
